Deluxe Valet Podium

Upscale Look, Enhanced Security, Electronics Ready

We increased the width of our Deluxe Valet Podium and added a counter above the working surface to give this podium a premium look. We also added a Key Drop Box to the side of the unit so that keys can be deposited quickly and securely without the need to unlock the podium. An anchor loop allows the podium to be secured, a lockable Tip Box is installed in the drawer to manage tips and a locking bar adds additional security. A grommet is installed in the working surface and base of the podium so electronics can be easily routed through the unit.
